# BSB42015 Certificate IV in Leadership & Management

Looking for the next step in  
your career? Read all about it here...

**Entry requirements:** Applicants wishing to enrol in this course will have a minimum of 2 years experience in their chosen industry and at times may provide support or leadership to co-workers. Applicants will be required to complete an application process to determine suitability to the program.

**Delivery mode:** Training will be delivered via face to face sessions and self-directed study and assessment work outside of classroom hours.

**Work placement:** There are no workplace requirements for this qualification.

**Duration:** 10 months

**Resources:** Students will be provided with learner guides and written material. Although laptops are not required to complete this qualification, students are strongly advised to bring their own to the classroom sessions.

**Training Locations:** Various locations across the Hunter Region.

**Student Support:** Smart Training & Consulting Group will ensure that you will receive the opportunity to fulfil your personal potential during your training by providing support services to meet your individual needs.

**Your Qualification:** Upon successful completion of all units of competency, students will be issued with a nationally recognised qualification by Smart Training and Consulting Group.
